Join Us For the IBFNA New England Rally!

At the center of most of our New England towns stands one or more memorials to the great theological heritage of our region, a church building, often larger than one might expect given the demographics of the area, where parishioners once heard preaching that was faithful to the Bible and the Gospel of Jesus Christ.

tage in Christ, and we invite you to rally with us for a day of fellowship around the truth of one of our great New England creeds, The New Hampshire Baptist Confession of 1833.

Our focus for the day will be Article 1 of the confession entitled "Of the Scriptures":

England has graciously offered to host our event on their beautiful new campus in Deering, NH. We hope that you will take this opportunity to acquaint yourself with the wonderful ministers and ministry resources God has blessed our region with in this place. The Wilds has agreed to provide our lunch on a love-offering basis, so there is no cost to register. We will be taking a love offering in the final session, hoping to cover the camp's expenses and the travel expenses of Dr. Harris. Additional money received will go directly to the camp.

Due to the limitations of the venue we have chosen, we will only be able to accommodate school-age children who can enjoy the meetings attentively. We will be unable to provide a nursery. In addition, we ask that you come dressed ready for a camp tour rather than for church.
