

Urgency of the Hour

Who would have thought that in the spring of 2016, our nation would be agonizing over the definition of male and female. This ruckus was caused by the State of North Carolina's daring to define a man and a woman by the gender given to them by birth, the cellular difference between the XY and the XX chromosomes, which has been the standard definition of sex-determination found in God's creation of man. And then a major concert was cancelled with threats of moving other major events out of North Carolina in order to force compliance with the politically correct agenda. When a nation desires to forget God and His creation, and is determined to play god themselves, then the judgment of the living God cannot be far off.

We are living in dangerous times because there is no regard for truth. If people want a different behavior or life style, then they create a legitimacy for it whether it is true or not. Man has indeed become his own god, and how feeble and ridiculous it is.

When society turns from God, the godly need to shine brighter than ever before. It is not enough to know the truth yourself, we must shed the light of the gospel to those around us that are looking for real truth. It is important for us to encourage one another and look forward to the future of God's blessing.

I want to encourage you to come and stand with us for the cause of Biblical truth. The schedule has been organized to give you and your family the time and freedom to see the sites around Gettysburg and Lancaster.

- * Nursery provided for all services
- * Children's and Youth programs in all morning services
- * Powerful preaching on serving God in these last days

The Independent Baptist Fellowship of North America (IBFNA) is:

1. A unique Fellowship – We emphasize the equality of the brethren and the task God has given every servant.
2. A Fellowship of pastors and laymen – We serve the Lord together to raise up a standard for Biblical separation and truth.
3. A Fellowship that recognizes the sovereignty of local churches to choose their colleges or mission boards without encroachment from outside organizations.
4. A Fellowship with a mission to help pastors by providing mutual fellowship, encouragement, and information to help us stand faithfully for our Savior.
5. A Fellowship with a common voice to articulate the historic position of fundamental Baptist doctrine with boldness and grace.
